This press release may contain forward-looking statements within the meaning of applicable securities legislation. Forward-looking statements may relate to the Company’s or an Indian investment’s future outlook and anticipated events or results and may include statements regarding the financial position, business strategy, growth strategy, budgets, operations, financial results, taxes, dividends, plans and objectives of the Company. Particularly, statements regarding future results, performance, achievements, prospects or opportunities of the Company, an Indian investment, or the Indian market are forward-looking statements. In some cases, forward-looking statements can be identified by the use of forward-looking terminology such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate” or “believes”, or variations of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might”, “will” or “will be taken”, “occur” or “be achieved”.

Forward-looking statements are based on our opinions and estimates as of the date of this press release, and they are subject to known and unknown risks, uncertainties, assumptions and other factors that may cause the actual results, level of activity, performance or achievements to be materially different from those expressed or implied by such forward-looking statements, including but not limited to the following factors: the COVID-19 pandemic; oil price risk; geographic concentration of investments; foreign currency fluctuation; volatility of the Indian securities markets; investments may be made in foreign private businesses where information is unreliable or unavailable; valuation methodologies involve subjective judgments; financial market fluctuations; pace of completing investments; minority investments; reliance on key personnel and risks associated with the Investment Advisory Agreement; lawsuits; use of leverage; significant ownership by Fairfax may adversely affect the market price of the subordinate voting shares; weather risk; taxation risks; emerging markets; multilateral instrument; economic risk;

and trading price of subordinate voting shares relative to book value per share risk. Additional risks and uncertainties are described in the Company's annual information form dated March 4, 2022 which is available on SEDAR at www.sedar.com and on the Company's website at www.fairfaxindia.ca. These factors and assumptions are not intended to represent a complete list of the factors and assumptions that could affect the Company. These factors and assumptions, however, should be considered carefully.

Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company does not undertake to update any forward-looking statements contained herein, except as required by applicable securities laws.
